

Parishioners of St. Eulalia and St. Gabriel

The office phones have not been working for the past two weeks, and I do greatly apologize. I have been on the phone with Zito Media almost every day trying to rectify the problem. Somehow Zito has switched the telephone lines between the Parish Center and the Rectory Office. If you cannot reach the office using the 274-8646 number, please call 274-7963 or my cell phone at 717-572-1746. Again, I apologize for this inconvenience, and hope that it will be corrected shortly.
